Subject: Acton Historical Society request to use Town Hall parking lot

---

Attached please find a request from the Acton Historical Society to use the Town Hall parking lot on April 18. I have reviewed this request, and do not believe that it will create any problems. I recommend approval.

Subject: Patriot's Day Parking

Dean,

Thank you for speaking with me the other day regarding the use of Acton's Town Hall parking lot on Patriot's Day. The Acton Historical Society in conjunction with Iron Work Farm has hired a trolley to transport people between people between their historic site on Patriots Day. Due to the very limited parking at all locations, The Hosmer House, Jones Tavern and Faulkner House, we would like to encourage people to use the Town Hall Parking lot. We are hoping for a large turn out and expect to use 60 to 75 parking spaces.

Also who would I contact about putting some information about our Patriot's Day event on the Town's Website Community Calendar pages? I have enclose the information for your use as well.

Thanks again for your help.

Best Regards,
Linda Greene
